

# MARVA TALLERDAY

April 20, 2014 Marva Tallerday started work as new Nursery Director. Marva has been a Tucson resident for nearly 40 years, and a member of TVLC for two and a half. She joined the congregation after moving back to Tucson from Mesa, where she lived for two years to be close to her grandchildren. Marva has been volunteering in the church office for three years, Sunday School for two years, and this summer will be her third time helping out with VBS.

Two years of working in a large church nursery in Mesa gives Marva plenty of experience going into this new role. She hopes to instill confidence in TVLC's nursery, so that parents can feel completely comfortable living their little ones in her care. When asked what she likes most about working in the nursery, Marva replied, "I love them all! But the little ones and the babies are my favorite."
