Dear TVLC family,

In our previous communications, we have mentioned that the weekend of November 13 and 14 is our “Be Renewed” Commitment weekend. We hope you will make it a priority to be in worship that Saturday or Sunday. Our goal is to have all of our church family present.

We are asking you to be prepared to respond that weekend in worship. Your commitment card is included in this mailing. Please use it as a prayer prompt as you and your family make your commitment decision to support God’s work at Tanque Verde Lutheran Church in the coming year.

The enclosed Generosity Toolkit was created to offer some practical ways to determine how you can take the next step on your generosity journey and grow in your giving. We are all being challenged to be “Be Renewed” in our commitment to give back to God and we wanted to provide ideas on how you can take the next step. As you pray about your commitment for next year, please consider how God might be calling you to grow.

We hope you find the Toolkit helpful and maybe even a little challenging as you pray about and discuss what your giving will be for next year.

Grace and peace,

Pastor Josh and Pastor Stephen
