We are going to end up the Prime Timers activities season with a picnic lunch at Udall Park, located at the Southeast corner of Tanque Verde Road and Sabino Canyon Road.

Besides the luncheon food and drinks, we will have some games to play (trivia, bingo??).

We will meet at the parking area near Ramada #8 around 11:00 am (see the map). We will have catered sandwiches and various picnic sides, desserts, and beverages. We have a beer and wine permit if you wish to bring your own adult beverages (no spirits). We ask a \$10 each contribution to cover the cost of the food. you can also bring anything you would like to share (optional)
